

— 2nd International Conference on —
**Biopolymers and
Polymer Science**

BIOPOLYMERS-2026

October 19-20, 2026 | Venice, Italy

Conference Website:

<https://polymerscience2026.conplusmeetings.com/>

Email: biopolymers2026@conplusmeetings.com

Meet our Organizing Committee Members:

Meet our esteemed organizing committee of international experts shaping the future of polymer science.

↪ <https://polymerscience2026.conplusmeetings.com/>

Plenary, Keynote & Invited Speakers:

Renowned global experts will share insights into next-generation biopolymers and materials.

About BIOPOLYMERS-2026

We are delighted to announce the 2nd International Conference on Biopolymers and Polymer Science (BIOPOLYMERS-2026), which will be held from October 19-20, 2026 in the beautiful city of Venice, Italy. This premier two-day event will gather leading scientists, researchers, and industry professionals from around the world to share their latest findings, exchange innovative ideas and foster new collaborations in the fields of biopolymers and polymer science.

BIOPOLYMERS-2026 will focus on recent advancements and address emerging challenges in areas such as polymers, biopolymers, sustainable materials, fibers, textiles, and nanocomposites. The conference will feature plenary and keynote lectures delivered by distinguished experts, providing valuable insights into cutting-edge research and technological developments. Participants will also have the opportunity to showcase their work through oral and poster presentations, promoting academic discussion and professional growth.

We warmly invite you to join us in Venice for BIOPOLYMERS-2026, an intellectually enriching event that promises to be both inspiring and memorable.

Sincerely

A. Ramya | Conference Secretary

BIOPOLYMERS-2026

<https://polymerscience2026.conplusmeetings.com/>

- Smart Inorganic and Supramolecular Polymers

- Polymer Engineering and Processing

- Functional Polymers and Materials

- Nanocellulose Fiber-Based Polymer

- Polymer Synthesis and Characterization

- Biorefineries and Bioplastics

- Biopolymers as Prebiotics

- Biopolymers for Tissue Engineering

- Fiber-Reinforced Polymer Materials

- 3D/4D Printing of Polymers

- Plastics and Elastomers

- Recycling and Waste Management of Biopolymers

- Polymer Nanotechnology

- Drug Delivery Systems(DDS) made from Biopolymers

- Green and Eco Friendly Polymers

- Novel Polymer Blends and Composites

- Polymer Electronics: Optics and Lasers

- Bio-Based Foams

- Polymers for Defense Applications

- Biopolymers for Renewable Sources

1. Meet worldwide Experts, Exchange ideas and network with leading researchers.
2. Learn and discuss quality initiatives, key news and challenges with senior level speakers.
3. Learn skills and stay up-to-date with presentations, panel discussions, roundtable discussions and workshops, we cover every topic from top to bottom, from global macro issues to strategies to tactical issues.
4. Greater Focus, participants can gain direct access to a core audience of professional sand decision-makers and can increase visibility through branding and networking.
5. New Tips & Tactics you can learn beyond your field or interest.

Who Can Attend?

- Professors
- Associate Professors
- Assistant Professors
- PhD Scholars
- Graduates and Post Graduates
- Directors, CEO's of Organizations
- Head of Departments
- Association, Association Presidents & Professionals
- Research Institutes and Members
- Training Institutes

Conference Opportunities

- ✓ Speaker Presentations (Oral)
- ✓ Poster Display
- ✓ Symposium hosting (4-5-member team)
- ✓ Workshop organizing

- ✓ Association Partnering
- ✓ Collaboration proposals
- ✓ Academic Partnering
- ✓ Group Participation

- ✓ Poster Presentation
- ✓ Young Researcher Forum
- ✓ Student Attendee
- ✓ Group Registrations

ICBPS2026

- Speaker Presentations✓
- Symposium Hosting✓
- Book Launch Event✓
- Networking Opportunities✓
- Audience Participation✓

- Exhibitor and Vendor booths✓
- Sponsorship Opportunities✓
- Product Launch✓
- Workshop Organizing ✓
- Scientific Partnering✓
- Marketing and Networking with Clients✓

Category	Registration Price
Oral Presentation	\$849
Poster Presentation	\$549
Delegate Participation	\$999
Student Participation	\$399

Group Participation Benefits:

10% Discount for a group of 5 members

15% Discount for group of 10 members

25% Discount for group of 20 members

Localities Participation Benefits:

25% Discount will be provided for the participants who are attending from the local universities and Organizations.

Registration Includes:

- Access to all Scientific Sessions, Poster sessions, Exhibitions
- Handbook & Conference Materials
- Lunch, Tea/Coffee breaks during the conference days
- Certificate Accreditation from the Organizing Committee
- Wi-Fi in the meeting rooms

How to Register:

In order to register for BIOPOLYMERS2026, please complete the online form available on:

<https://polymerscience2026.conplusmeetings.com/register>

You are kindly invited to submit your abstract for ICBPS2025 Online Abstract Submission:

<https://polymerscience2026.conplusmeetings.com/submit-abstract>

Questions regarding Abstract Submission

Contact us: biopolymers2026@conplusmeetings.com

Sponsorship Details

	Platinum Sponsor	Diamond Sponso	Gold Sponsor	Exhibitor
Sponsorship Registration	\$4999	\$3,999	\$2,999	\$1,999

About City | Venice, Italy

Venice, the enchanting **"City of Canals,"** is one of the most beautiful and inspiring destinations in the world. Renowned for its **romantic waterways, artistic heritage, and timeless architecture,** Venice stands as a symbol of elegance and culture. Built on over 100 small islands connected by picturesque bridges, this UNESCO World Heritage city offers a truly unique atmosphere unmatched anywhere else. Visitors are captivated by Venice's world-famous landmarks, including **St. Mark's Basilica, the Doge's Palace, Rialto Bridge, and the Grand Canal,** where gondolas glide serenely between Renaissance and Gothic palaces. The city's charm is further enhanced by its historic squares, such as **Piazza San Marco,** and its rich artistic legacy preserved in museums like the **Gallerie dell'Accademia** and the **Peggy Guggenheim Collection.** Beyond its architectural splendor, Venice is also known for its **vibrant festivals** such as the **Venice Carnival** and the **Venice International Film Festival,** which attract visitors from around the globe. Delegates will have the opportunity to experience Venetian cuisine — from traditional seafood dishes to authentic Italian gelato — while enjoying breathtaking sunset views over the lagoon. With its blend of **intellectual exchange, cultural exploration, and historic charm,** Venice provides the perfect setting for **BIOPOLYMERS-2026.** The city's tranquil yet inspiring environment will make this conference a truly memorable experience — both academically and personally.
